

**FREE Printable Business Signage**

# Spread the word not the germs

## Here's how:

1. Protect your team by placing signs in common areas, reminding them to thoroughly wash their hands.
2. Display flu symptoms and prevention posters in your break rooms and restrooms.
3. Use cabinet and drawer labels to easily identify locations of disinfectants, cleaning agents and first aid kits.

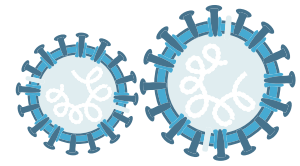

**Protect your business, employees, and customers.

# PREVENT THE SPREAD OF GERMS

1

Avoid close contact with people who are sick.

2

Avoid touching your eyes, nose, and mouth.

3

Stay home when you are sick.

4

Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

5

Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.

6

Follow CDC's recommendations for using a facemask.

7

Wash your hands often with soap and water for at least 20 seconds.

8

If soap and water are not available, use an alcohol-based sanitizer solution
